Part II - Narrative

Alsons Consolidated Resources, Inc. (the “Corporation”) will not be able to file the required SEC Form 17-A within the usual prescribed period due to the Enhanced Community Quarantine (ECQ) declared by the Philippine Government. Thus, in line with the Securities & Exchange Commission (“SEC”) Memorandum Circular N° 5, Series of 2020, dated 12 March 2020, and that SEC Notice dated 18 March 2020, the Corporation requested that the due date for the filing of the Corporation’s Annual Report, SEC Form 17-A, and the attachments thereto, including, but not limited to, the consolidated financial statements for the year ending 31 December 2019, be extended to June 30, 2020, or 60 days from the date the appropriate government authorities lift their travel restrictions and/or ban, whichever occurs later, without penalty.

As stated, this extension request is primarily because the entire island of Luzon was placed under the ECQ. In addition, several local government units in the Philippines imposed lockdowns in their respective jurisdictions. Accordingly, the Corporation, in line with its business continuity plan, and to safeguard its employees against any health hazards or risks, implemented a work-from-home policy to prevent their officers, staff and employees from getting infected with or exposed to the novel coronavirus.

In effect, the Corporation’s employees who are responsible for preparing the said report (together with the Corporation’s external auditors) are mostly confined to their homes, and working exclusively from home. This has caused difficulties in the coordination and in the preparation of the report.
